WARNING: THIS PRODUCT CAN EXPOSE YOU TO CHEMICALS INCLUDING CARBON MONOXIDE WHICH IS KNOWN TO THE STATE OF CALIFORNIA TO CAUSE BIRTH DEFECTS OR OTHER REPRODUCTIVE HARM. FOR MORE INFORMATION VISIT: www.P65Warnings.ca.gov
REGISTERING YOUR BISON GRILL CART

Your Bison Grill Cart is automatically covered by your Bull Limited Warranty if you have completed the Warranty Registration Card for your Bison Grill within 90 days from the Proof of Purchase. You may register your unit either online at [www.bullbbq.com](http://www.bullbbq.com) or by sending in the completed hard copy along with a copy of the Proof of Purchase to: Bull Outdoor Products, Inc., 1011 East Pine Street, Lodi, California 94520 United States ATTN: Warranty Service Center.

LOCATION OF SERIAL NUMBERS
The essential information about your cart is encoded in the serial number of the Bison Grill it was sold with. This information will be required for all warranty claims, ordering replacement parts and will identify any variations of your unit. It is extremely important that you record your serial number and register your grill from the Proof of Purchase. The grill serial number locations are shown below.

ON THE RIGHT SIDE OF YOUR BISON GRILL               END OF YOUR BISON CART'S BOX     OR     INSIDE OF BOX FLAP

HOW TO ORDER REPLACEMENT PARTS
The following information is required before contacting your Bull Authorized Dealer to assure getting the correct part(s) for your Cart. Please refer to your owner’s manual parts list and illustration to identify what you need.

To Order Replacement Parts go to: [https://www.bullbbq.com/buy-parts](https://www.bullbbq.com/buy-parts)

Ordering Parts by phone: Bull is ready to help with two regional suppliers open 8:00 am to 5:00 pm Monday through Friday.

- For the western region, please call Bull Grills & Spas at [760] 746-7727
- For the eastern region, please call Goodwood Hardware [225] 926-0155

IMPORTANT: Keep this assembly and operating instruction manual for referral, and for replacement parts ordering.

WARNING: Use of any part that is not factory authorized will void your warranty and may be dangerous.
NOTE: PLEASE COMPLETE THE FOLLOWING PRIOR TO ASSEMBLY:

1. Before attempting to assemble your grill cart, check that all the necessary parts are included by using the illustrated parts list.
2. Inspect parts for any damage and contact our service center or local dealer for replacement of any damaged parts.
3. Do not assemble or operate a grill cart that appears to be damaged.
4. For your safety, Bull recommends the assistance of another person when assembling larger and/or heavier items.

CART ASSEMBLY INSTRUCTIONS

Do not assemble or operate a grill cart that appears to be damaged. For your safety, Bull recommends the assistance of another person when assembling larger and/or heavier items.

**STEP #1: ATTACH SHELF HANDLES TO SHELVES**

- Remove the pre-installed screws (M6X8 mm) on the handle end caps.
- Per illustration below, combine the handle tube and end caps and then install the handle end caps onto the side shelf.

**USE PROVIDED ALLEN WRENCH (ITEM 12) TO ATTACH 1 HANDLE TO EACH SHELF USING 2 (ITEM 13) M6X8 SCREWS AS ShOWN**

![Diagram showing the assembly of shelf handles](attachment:assembly-diagram.png)
STEP #2 ATTACH CASTERS TO FRAME
Per illustration below, attach casters to pre-installed nuts on frame with provided fasteners and Allen wrench.

STEP #3 ATTACH LEGS TO FRAME
Per illustration below, attach cart legs to on frame with provided fasteners and tools.

NOTE: EACH CART LEG IS UNIQUE AND MUST BE ASSEMBLED AS SHOWN TO ACCOMMODATE GRILL.
STEP 4: ATTACH GRILL TO CART LEGS
(This step will require at least 2 people).
1. Ensure the swivel casters are in the locked position in order to prevent the cart from moving and causing injury.
2. Remove the grill cooking and warming grates, briquet baskets and ash collector and place out of the way during assembly.
3. NOTE: The cart back legs are attached with 4 specific fasteners that are already on your grill where shown below. The cart front legs are attached with 5 specific fasteners. All of these fasteners are held by threaded inserts pressed into the grill. Remove those fasteners from the grill.
4. NOTE: (This step will require at least 2 people). Guide the cart legs around the outside of the grill head until the cart leg mounting holes line up with the holes on the grill.
5. Install the mounting screws ‘finger tight’ on all four legs and evaluate alignment of the legs to the grill before tightening. If using a torque wrench to install set it to 70 inch-pounds (8 Nm). Caution: cross threading will cause irreparable damage to the cart.

STEP 5: ATTACH SHELVES TO GRILL
1. NOTE: The cart shelves are attached with 4 specific fasteners that are already on your grill where shown above. All of these fasteners are held by threaded inserts pressed into the grill. Remove those fasteners from the grill.
2. NOTE: (This step will require at least 2 people). Install one shelf at a time by having 1 person hold the shelf so the mounting holes line up mounting holes on the grill. The shelves have slots on one side for hanging tools. That side should be facing the front of the grill.
3. Install the mounting screws ‘finger tight’ on both shelves and evaluate alignment before tightening. If using a torque wrench to install set it to 70 inch-pounds (8 Nm). Caution: cross threading will cause irreparable damage to the cart.

Your grill cart is now completely assembled. Please continue to read the next section your Bison Grill to understand all safety, warning and usage instructions for your Bison grill manual before use.
CLEANING AND MAINTENANCE

WARNING: BEFORE CLEANING YOUR CART MAKE SURE YOUR GRILL AND CART ARE COOL ENOUGH TO TOUCH.

CART CLEANING: Washing the cart is not necessary, but periodically it is suggested you wash the cart using a soap and warm water solution. Use only a nylon brush to remove stubborn residue. Dry the cart before the next use.

STAINLESS STEEL CLEANING AND MAINTENANCE

Stainless steel is a corrosion resistant chromium/nickel alloy steel that is both durable as well as strong with an outstanding lustre. The goal of your cleaning and maintenance routine should be to keep the stainless steel's protective chromium oxide layer intact. This is what prevents corrosion. Contrary to popular belief, stainless steel is NOT rust proof, especially in the environment of a swimming pool. Chlorine, bromine, some fertilizers and other elements are extremely caustic chemicals for stainless steel. These chemicals combined with heat and humidity greatly increase the corrosiveness of these chemicals. Regular cleaning is the best way to prevent corrosion and add years of enjoyment to your Bull Stainless Steel products.

Warranty Policy

Bull Outdoor Products continues to be the industry’s leader in Warranty Durations with our product line. Your cart has a 1-year warranty from the date of purchase on invoice or purchase order.

Warranty Claims must be filed online through the Bullbbq.com Website. Warranty Claims will not be accepted via email, fax, or phone.

Bull Outdoor Products, Inc. warrants to the original purchaser at the original site of delivery with proof of purchase of each Outdoor Gas Grill that when subject to normal residential use, it is free from defects in workmanship and materials for the periods specified below. This warranty excludes grills used in rental or commercial applications. It does not apply to rust, corrosion, oxidation, or discoloration, which may occur due to moisture, overheating, or packaging, unless the affected product becomes inoperable. Warranty Claims do not include shipping charges of item(s), labor or any labor related charges. There will be a shipping and handling charge for the delivery of the warranty part(s).

Our obligation under this warranty is limited to repair or replacement, at our option, of the product during the warranty period. The extent of any liability of Bull Outdoor Products, Inc., under this warranty is limited to repair or replacement. This warranty does not cover normal wear of parts, damage resulting from any of the following: negligent use or misuse of the product, use on improper fuel/gas supply, use contrary to operating instructions, or alteration by any person other than our factory service center. The warranty period is not extended by such repair or replacement. Product repair as provided under this warranty is your exclusive remedy. Bull Outdoor Products, Inc. shall not be liable for any incidental or consequential damages for breach of any express or implied warranty on its products.

Product repair as provided under this warranty is your exclusive remedy. Bull Outdoor Products, Inc. shall not be liable for any incidental or consequential damages for breach of any express or implied warranty on its products. Except to the extent prohibited by applicable law, any implied warranty or merchantability or fitness for a particular purpose on this product to the duration of the above warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages or allow limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may have other rights, which vary from state to state.

Based on country or geographical area, the following methods are used to file a Warranty Claim:
